## THE CEREMONY

The Greyhound Coaching Inn is delighted to be working in conjunction with The Lutterworth Town Hall, the ONLY venue in Lutterworth licensed for Civil Ceremonies and which is situated on the Market Square almost opposite The Greyhound itself.

The Hansom Room on the first floor, is a bright and open space providing the ideal venue for you and your guests. Up to 100 guests can be comfortably seated in the Hansom Room for your ceremony. The facilities of the Denbigh Room, located on the ground floor with a separate concealed staircase leading to the Hansom Room for the arrival of the Bride, are used for meeting with the Registrar.

You will arrive outside the main entrance of the Town Hall and be given private access to the Denbigh Room where you will meet the Registrar. Your guests will arrive through a separate entrance and be seated upstairs in the Hansom Room whilst they await the Bride's arrival.

Becci can assist you with introductions to various local wedding suppliers for transportation, flowers, music, photography and finishing touches. We will of course be available on the day of your wedding to ensure all your wishes are fulfilled.

Once your Ceremony is complete the staff at The Greyhound look forward to welcoming you and your guests back to the hotel for the reception to begin.

## ON ARRIVAL

You and your guests will be welcomed to the courtyard of The Greyhound with the red carpet (weather permitting). This is the perfect opportunity for you to welcome your guests, it also offers the ideal backdrop for your photographer to capture those all important photographs. You are able to choose your choice of welcome drink and a selection of canapés if desired.

## A CHOICE OF ROOMS

The Christina Room, located on the first floor, is a well-proportioned classic Regency style room, ideal for your Wedding Breakfast. This room allows us to cater for up to 60 guests seated, has direct access to a balcony area; the perfect location for your photographer to gather some images of your guests enjoying their welcome drinks and canapés in the courtyard.

The Greyhound Coaching Inn Restaurant located on the ground floor was, up until 25 years ago, horse stables. It has now been transformed to become a contemporary yet intimate setting. We can cater up to 40 guests for your Wedding Breakfast and up to 120 for your evening reception. It can also double as the room for a band or disco, including use of the lounge and bar areas.

The Vaults is a hidden gem at The Greyhound. Located in the cellar and with its vaulted ceiling, it provides a unique setting for those wanting something completely different. The Vaults can cater for up to 40 guests for your Wedding Breakfast or evening reception.

### **THE WEDDING BREAKFAST**

Our Head Chef Steve Dennis has been working with The Greyhound for the past 25 years. Steve and his very professional team take great pride in providing you and your guests with a delicious, home cooked, freshly prepared meal to celebrate your special day. Steve is always happy to meet with you to discuss the menus and any dietary requirements. Our food is prepared using fresh ingredients locally sourced where possible and fish from sustainable sources. We are able to cater for all dietary requirements and most dishes are available for gluten free diets. Included are some sample menus which may suit your requirements exactly. We do, however, also really enjoy having your input to create a bespoke menu using your own ideas.

### **THE EVENING RECEPTION**

Depending on your choice of room we are able to cater up to 120 guests for your evening reception. You are welcome to make use of the courtyard, lounge and bar area to entertain your guests. Sample menus are included for the evening although you are very welcome to make suggestions for the type of food you would like served to your guests. We are very happy to cut and serve your wedding cake for you during the evening, should you desire.

Please note that the bar area remains open to the public.

### **ENTERTAINMENT**

Many people choose to have entertainment during the evening reception. The Greyhound Inn Restaurant lends itself ideally to this. In the past, we have not only welcomed DJ's and bands but also magicians, vocal artists, cabaret acts and cartoonists.

### **ACCOMMODATION**

At The Greyhound Coaching Inn we offer 33 en-suite bedrooms including 4 Four Poster rooms, twin, double and family rooms. Each bedroom offers the individual character and quirky charm you would expect from a 18<sup>th</sup> Century Grade II Listed building. All wedding guests are offered a special reduced rate from £80.00 per couple for a classic double which is fully inclusive of Full English Breakfast the following morning.
